SEP. 29 A Message of Gratitude and Prayer from Imam Jamil Abdullah Al-Amin:

On behalf of Imam Jamil Abdullah Al-Amin (the former H. Rap Brown), He sends his salaams to all those who continue to write and stand by him in this period of his journey. Insha-Allah, continued peace and blessings to you and your families. May Allah guide you and reward your efforts.

Never doubt that a small group of thoughtful and committed citizens can change the world. Indeed it is the only thing that ever has. It is often easier to become outraged by injustice half a world away than by oppression and discrimination half a block from home.

In Peace Strong, In Battle Strongest,
Hasbunallah wa nimalwakil,
(Allah is enough for us and an excellent guardian)

IMAM JAMIL'S STANCE ON PALESTINE AND RASHIDA TLAIB

In the name of Allah, most gracious and most merciful, Over these past months, we have yet again been witness to atrocities committed by the Zionist occupation, against Palestine and its people. Imam Jamil Abdullah Al-Amin declares to the world that he stands with the people of Palestine, and against its destruction caused by any and all outside forces or policies.

Also brought to the attention of Imam Jamil, was the censoring of Representative Rashida Tlaib by the House of Representatives for statements she made earlier in November of this year. She is being targeted for daring to support human rights and calling for a ceasefire in response to the barbaric slaughter of, as of Dec. 8 and reported by the Gaza Health Ministry, over 17,177 Palestinian civilians in Gaza, including more than 7,112 children, by the Zionist occupation. Imam Jamil wishes to express the willingness, of himself and his constituents, to be at the service of Representative Tlaib in any capacity she believes may prove instrumental.

OCT. 1-31 The Imam Jamil Action Network launched a media campaign around Imam Jamil's birthday. It included a caravan through Atlanta as well as interviews on various media outlets. During the month of Oct., a successful fish fry in Savannah brought awareness of Imams case as well as much needed funding. The month of Oct. has seen the Zionist occupation continue its 70-year genocide.

NOV. 24 Repeated serious incidents leading to multiple lockdowns and volatile atmosphere. It's getting worse we need to increase our efforts to obtain a release for Imam Jamil.

The Bureau of Prisons confirmed that George Floyd's murderer, Derek Chauvin, was stabbed 22 times at FCI Tucson at around 12:30 p.m. local time, Friday. The medium-security prison has been plagued by security lapses and staffing shortages. It is also the second major incident at the Tucson federal prison in a little over a year. Back in Nov. of 2022, an inmate at the facility's low-security prison camp pulled out a gun and attempted to shoot a visitor in the head. The weapon, which the inmate shouldn't have had, misfired.

DEC. 5 The first two episodes out of eight of the Radical podcast has been released. Journalist Mosi Secret begins investigating the March, 2000, West End shooting, and he encounters a vexing question. New episodes coming every Tuesday.
