Correct the Narrative

**Cop Killer Confesses,
Corporate Media Conceals!**

On October 4th, 2022, honoring the birthday of Human Rights icon Imam Jamil Al-Amin formerly H. Rap Brown, we Unite our voices to call on CNN to tell the truth about his unjust incarceration.

For years the man who actually killed the cops confessed and now it is on video. We gather in Atlanta, at the CNN Center to make our call: "Show the world the truth!"
